The Bar Council Continuing Professional Development Department is organising a seminar on personal finance, financial planning and legal practice.

The financial world can be confusing, even for well-trained professionals in other disciplines. This practical seminar will instruct on the following:

- ♦ The 7-Step L-I-B-E-R-T-Y Blueprint;
- ♦ The three essential parts of any complete personal financial plan;
- ♦ The two key financial statements required for wise control of personal finances; and
- ♦ The single overarching requirement for lawyers to secure abiding financial health.

If you believe there is at least some room for improvement in the way you manage your personal, family and practice-related finances, do join us for an entertaining and educational three hours with Rajen Devadason.

About the Speaker

Rajen Devadason has dug himself out of deep pits of credit card debt not just once, but twice! Today he is, ironically, the Chief Executive Officer ("CEO") of corporate mentoring consultancy RD WealthCreation Sdn Bhd, and RD Book Projects. Rajen is a Securities Commission-licensed financial planner with Manulife Asset Management Services Bhd, and a Certified Financial Planner. He also writes the weekly financial planning column "Money Thoughts" for the *New Sunday Times*. Rajen graduated in Physics and Computing from King's College, University of London, and is the author / co-author of 10 books and two audio CDs. His corporate mission is to help organisations increase their profits and productivity by helping their best people enhance personal effectiveness on and off the job.
