The Pahang Bar Committee, in collaboration with the Bar Council Continuing Professional Development Department, is organising this workshop to provide a basic understanding of the law of passing off.

In principle, it is a "passing off" when a trader sells his/her goods as that of another trader. This branch of law is provided by the common law and co-exists with the Trade Marks Act 1976 that regulates registered trademarks.

The speaker will present this topic in a structured way with reference to relevant case law. He will introduce passing off, its origin, its objectives, its relationship to the law of trademarks, its co-existence with the Trade Marks Act 1976, and its expansion beyond the classical form. Thereafter, he will introduce the three legal requisites of classical passing-off claim, namely, the relevant goodwill of the claimant, misrepresentation made by the respondent and resultant damage to the claimant. Then he will elaborate on each of the three requisites with reference to, and discussion of, case law.

**Registration for the workshop will begin at 3:00 pm.**
