

Circular No 229/2011
Dated 11 Oct 2011

To all Members of the Malaysian Bar

NYLC X-Games Series:
Rock Climbing (16 Oct 2011)

In line with Bar Council's active sports culture, the Bar Council National Young Lawyers Committee ("NYLC") has recently approved and formed an X-Games unit to compliment the dedicated and active Bar Council Sports Committee.

Bringing a different twist to the more traditional sports activities, the X-Games unit has identified three X-Games: dragon boating, rock climbing and go-karting.

Each of the X-Games is led by the following captains:

- (a) Dragon Boat Team: Lee Shih (leeshih@gmail.com)
- (b) Rock Climbing Team: Foong Cheng Leong (foongcl@gmail.com)
- (c) Go-Karting Team: Seira Sacha (seirasacha@loyarbuok.com)

NYLC's X-Games unit will kick-start with a rock climbing session on 16 Oct 2011 (Sunday)! As the X-Games unit has managed to obtain an excellent package from Camp5 Climbing Gym at 1 Utama Shopping Centre, the rock climbing session will include a four-hour basic wall climbing course conducted under the tutelage and guidance of Camp5 instructors. Due to limited training space, the rock climbing session is open to only 12 Members.

The details of the rock climbing session are as follows:

Date: 16 Oct 2011 (Sunday)
Time: 9:30 am
Venue: Camp5, 1 Utama Shopping Centre, Leboh Bandar Utama
Bandar Utama City Centre, Bandar Utama, 47800 Petaling Jaya, Selangor
Participation fee: RM120 for first timers (inclusive of a four-hour basic wall climbing course).
Otherwise, participants will be charged RM28 on a per entry basis (please refer to www.camp5.com for more information).

Limited to 12 Members only!

For further information or to register, please contact the rock climbing captain, Foong Cheng Leong (foongcl@gmail.com), or Vince Chong (012-925-1130; vckypsky@gmail.com).

Who knows, if you are good enough, you may just be donning the national colours of the Malaysian Bar team!

Thank you.
