Circular No 234/2018 Dated 27 Sept 2018

To Members of the Malaysian Bar

2019 Professional Indemnity Insurance Renewal | Premium, Terms and Conditions

Kindly note that the Professional Indemnity Insurance ("PII") premium for 2019 is RM1,254 per lawyer. There are no changes to the terms and conditions.

The 2019 PII premium sees an increase of 6% (RM64) per lawyer from the 2018 PII premium. Last year, we had informed Members in Circular No 194/2017 dated 6 Sept 2017 about an increasing trend of claims in the last few years, which would necessitate an increase in premium. The increase in the 2019 PII premium is therefore inevitable, and already expected.

Members of the Bar are reminded to continuously introduce, practise, and improve risk management procedures within their law firms. Experience has proven that a prudent risk management policy, and education of staff and lawyers on this subject, do reduce the risk of claims. Such reduction of risk of claims would positively impact any future premium pricing. If Members do not practise good risk management, there may be further increases in the PII premiums, in years to come.

2019 PII Renewal — Online Renewal System

By now, law firms would have received an email from the PII Scheme Broker, Jardine Lloyd Thompson Sdn Bhd ("JLT"). JLT's email requests confirmation of the law firms' respective and correct email addresses for submission of the 2019 PII online proposal form.

The 2019 PII renewal process for all law firms will commence by mid-October 2018. JLT will disseminate the 2019 Renewal Notice to all law firms by email. The email will contain each firm's user ID and password, to enable the firm to log into the online renewal system, accessible at www.PRAKTIS.com.my.

The online renewal system is more convenient and, barring any previous notifications of claims against your firm, your invoice will be produced instantly. During last year's renewal process, 97% of law firms renewed their PII policies online.
