The Mentors Project was introduced by Bar Council in 2010. Mentors are senior Members of the Malaysian Bar who have agreed to provide help and guidance on issues related to practice management to Members who require advice and assistance.

The register of Mentors, which contains the names of these senior Members, can be found on the Malaysian Bar website under the Directories > Register of Mentors tab.

To further inform Members about the Mentors Project, Bar Council is organising a session entitled "Meet the Mentors".

The session will feature Tan Eng Choong and SS Muker, senior Members of the Bar. Tan Eng Choong and SS Muker have more than 30 years of practice and have been running their respective practices for more than 20 years.

Members of the Bar who intend to set up their own legal firms are encouraged to attend the session.
