2nd Annual Budget Seminar: Battling the Excesses of the Tax Authorities

The 2018 Budget, which was recently unveiled by the Government on 27 Oct 2017, will impact businesses throughout the country. Rising living costs, a weakened Ringgit, and a host of other economic and socio-economic concerns mean that the focus of the 2018 Budget should be on alleviating these burdens as well as giving impetus to businesses, including large corporations, the retail sector, and small to medium industries.

Meet thought leaders in the field, who will provide consolidated insights about the tax, legal and economic implications of the 2018 Budget on business in Malaysia.

Who will benefit most from this event?

Managers from the corporate sector and retail industry, owners and operators of small- and medium-sized businesses, in-house counsel, Members of the Malaysian Bar, accountants, and tax consultants.
