

Circular No 276/2017
Dated 30 Nov 2017

To Members of the Malaysian Bar

E-Filing System Unavailable Due to Technical Problem

Please be informed that the e-filing system is experiencing technical difficulties and cannot be accessed at present. The e-Kehakiman team is working hard to resolve the problem, and hopes to have the system functioning again very soon.

As a result, all filing will have to be carried out at the e-filing Service Bureau counters **today, 30 Nov 2017**.

For ease of processing, Members are encouraged to scan their documents in a CD-ROM and bring along the CD-ROM, instead of scanning their documents at the e-filing Service Bureaus. Kindly note that no additional Service Bureau fees will be imposed until the e-filing online service is reinstated.

We will inform Members once the system is functional.
