With mandatory e-invoicing coming into effect in stages commencing 1 Aug 2024, law firms must now start preparing for this sea change to electronically document virtually all commercial activities. The implementation of e-invoicing will affect all law firms, regardless of size.

Due to overwhelming response, the Tax and Customs committee will now hold a full-day seminar on 18 July 2024, from 10:00 am to 5:00 pm.

Speakers from Lumenz Tax Advisory Sdn Bhd will give an overview on e-invoicing in Malaysia, covering the implementation timeline and procedures. LumenzTax will also cover data requirements for issuance of e-invoices and requirements for reimbursement and disbursements. The session will delve into the use of the MyTax portal and Application Programming Interface ("API") and steps towards the implementation of e-invoicing.

Other sessions will cover information technology ("IT") requirements for law firms, managing tax records and dealing with legal privilege and clients' accounts. We will also invite middleware software providers for law firms to speak to, and connect with participants.

The e-invoicing commencement date is as follows:

Taxpayers	Commencement Date
Annual turnover exceeding RM100 million	1 Aug 2024
Annual turnover of more than RM25 million and up to RM100 million	1 Jan 2025
All other taxpayers	1 July 2025

Registration is open to Members of the Bar and their office and finance staff only.

We encourage participants to submit queries on e-invoicing so it may be addressed during the seminar. To submit your queries, please click [here](#).
