

**Circular No 002/2023/LW  
Dated 23 Aug 2023**

To Yayasan Bantuan Guaman Kebangsaan (“YBGK”) lawyers

**Removal of Non-Active YBGK Lawyers from the List of YBGK Panel Lawyers**

Many Members of the Malaysian Bar who have been trained to be YBGK lawyers have never done any YBGK work.

The National Legal Aid and YBGK Committee is implementing a policy to remove YBGK lawyers who do not do any YBGK work from the list of YBGK lawyers that we have in our database.

This step is being taken to ensure that the panel list remains current, and consists of only YBGK lawyers who intend to contribute to the programme.

We intend to remove from the database lawyers who have not taken on any YBGK work in the past year. If you have **not** done any YBGK work for the past one year, but wish to continue being on the YBGK panel, kindly send an email to [ybgkBC@malaysianbar.org.my](mailto:ybgkBC@malaysianbar.org.my) and copy (cc) your state Legal Aid Centre (“state LAC”) to express your interest in remaining on the list of YBGK panel lawyers, and that you wish to volunteer yourself to do YBGK work.

Please note that you should do this by **25 Sept 2023 (Monday)**. YBGK lawyers who have not done any YBGK work in the past one year, and who do not respond to this circular, will be removed from the YBGK panel list after the above-mentioned date.

Moving forward, if after attending the YBGK Training Part I and II, you do not take up any YBGK duties within one year from the date of the training, your name will be automatically removed from the YBGK panel list.

Thank you for your attention to this matter. Should you have any questions or require any clarification, kindly contact your respective State LACs. The contact information for all the State LACs can be found [here](#).

Thank you.
