

**Circular No 067/2021  
Dated 16 Feb 2021**

To Members of the Malaysian Bar

**Relaunch of the Malaysian Bar Mobile App and  
Introducing the Digital Membership Card for Members of the Malaysian Bar**

We are happy to announce the relaunch of a new and revamped Malaysian Bar mobile app! This new version will be lighter, and streamlined, with certain less-used features removed, so that using the newly revamped Malaysian Bar app will be a breeze!

But above all, we are pleased to introduce our latest initiative — digital membership card (“DMC”) — exclusively for Members of the Bar. This DMC would enable Members to enjoy discounted rates for certain products and services from partners that Bar Council has tie-ups with.

**What is the DMC?**

The DMC is a digital membership card that will serve as a means for Members to prove their membership status instantly.

The DMC, which will come with a vCard QR code, will act as a digital business card. If a Member shows the vCard QR code to a potential client, the client only needs to scan it with a normal QR code scanner application.

The DMC will display the following information:

- (1) Member’s name;
- (2) Firm name;
- (3) Firm address;
- (4) Firm telephone number;
- (5) Firm fax number;
- (6) Firm email address; and
- (7) Firm website.

**What are the benefits of the DMC?**

Members can enjoy discounted rates for certain products and services offered by our partners. As at 10 Feb 2021, we have 37 partners, all of which are food and beverage (“F&B”) partners. We are working towards expanding the number of partners, as well as the range of products and services offered.

Please click [here](#) to see the list of our current F&B partners.

For additional information regarding benefits for Members, please contact the Public Relations Department of the Bar Council by email at [publicrelations@malaysianbar.org.my](mailto:publicrelations@malaysianbar.org.my).

### **How do Members download this app?**

The mobile app is available for both iOS and Android devices, and can be downloaded from the Apple Store (click [here](#)) and from Google Play (click [here](#)). You can also go to the [Apple Store](#) (for iOS users) or to [Google Play](#) (for Android users) on your device, and do a search using the term “Malaysian Bar”.

Should you have any enquiries on the app, please contact the Information Technology Department of the Bar Council by email at [app@malaysianbar.org.my](mailto:app@malaysianbar.org.my).

Thank you.
