How Does CPD on Demand Work?

Users will be awarded with 1 CPD point and an e-certificate for successfully completing a one-hour online training session. Users are advised to keep the e-certificate as a proof of completion. If you encounter any discrepancies, please email us at cpd@malaysianbar.org.my.

How are CPD Points Tracked?

CPD points will be tracked based on the internal system of CPD on Demand, where data of the completion rate can be extracted. The CPD points will be updated on Members and pupils' CPD records between four and six weeks from the date of completion of the online training.
