To Members of the Malaysian Bar

Assistance for Members Affected by the Putra Heights Gas Pipeline Explosion

The recent gas pipeline explosion in Putra Heights was a devastating event that caused widespread destruction to individuals and households in the surrounding area. The Bar Council has been informed that there are Members of the Bar who have been affected by this incident.

In light of this, the Bar Council urges any Member who have been affected by the incident to notify us via email at G Shagela Nair (shegi@malaysianbar.org.my) or Florence Laway (florence@malaysianbar.org.my) at your earliest convenience.

The Bar Council will be organising a donation drive to provide financial aid to assist affected Members. We seek the kindness and compassion of the legal community to contribute to this collective effort. Further information on the donation drive will be shared in due course.

Our thoughts are with all those impacted, and we remain committed to supporting our Members during times of need.

Thank you.
