IMLC 2022 is Postponed But Will Return in 2023 as a Physical Conference!

The International Malaysia Law Conference (“IMLC”) 2022 was scheduled to be held on 17 to 19 Aug 2022 in what would be its first-ever virtual conference. It was an exciting prospect that would enable us to proceed with IMLC during the pandemic, but it was also a trimmed-down version, with just 11 sessions over three days of conference.

After much deliberation, in order to provide participants with an optimum conference experience, including a richer variety of sessions and physical networking opportunities, which will translate to **better value for participants**, we have decided to move the date of IMLC to **July 2023**, and to hold a **physical conference**.

To those who had signed up, we are honoured and humbled by your interest in participating in the virtual IMLC 2022, and we are very grateful for your intended participation. We will be contacting you soon concerning the status of your registration and the related options available.

We will be working hard on producing a better IMLC 2023 with a stronger and more substantial programme, as well as provide for better networking sessions with fellow lawyers and non-lawyers.

We hope to see you in IMLC 2023!

Thank you.

We'll be back in 2023!
