**Circular No 160/2020
Dated 18 May 2020**

To Members of the Malaysian Bar

COVID-19 Medical Insurance Coverage

It has come to Bar Council's attention that Members have been sourcing for COVID-19 medical insurance packages. At the same time, Members may have been approached by insurance providers with specific COVID-19 medical insurance packages.

We wish to alert Members that you may already have medical insurance cover for COVID-19 with your existing medical insurance plan. Members are advised to check with their existing medical insurance providers for confirmation before subscribing to any COVID-19 specific medical insurance packages.

If Members were to subscribe to a medical insurance plan, you may want to subscribe to a plan which provides broader medical cover, ie not restricted in terms of the illness covered and duration of insurance cover, such medical insurance cover may be more beneficial.

While law firm owners are concerned with the pandemic and taking the initiative to provide COVID-19 medical insurance cover for members of their law firm, law firm owners may want to carefully consider the best options available before making any hasty decisions.

Thank you.
