

ADVERTISE Your Law Firm's Areas of Practice in the Legal Directory on the Malaysian Bar Website

Find a Lawyer

There is a feature on the Malaysian Bar website that enables law firms to list their areas of practice in the [Legal Directory](#).

What We Offer

(1) FREE Listing of Areas of Practice

A law firm is allowed to select up to two areas of practice at no cost. If a law firm opts for only the Free Listing, this information will appear only on the Legal Directory.

To include your firm in the listing, log in to your online law firm portal, where you will find the feature – Area of Practice – under the “Firm Profile” tab.

(2) PAID Listing of Areas of Practice

The annual price to feature more than two areas of practice is RM150 for each additional area of practice.

When a law firm opts for a paid listing, then the areas of practice will appear in both the Legal Directory and the [Law Firms | Areas of Practice](#) sections of the website.

If you require further information about advertising your firms' areas of practice, contact our support team by telephone at 03-2050 2037 / 2038 or by email at aop@malaysianbar.org.my.

Thank you.
