A publication of Bar Council Risk Management Committee

JUNE
2024

Vol. **19**
Issue 1

Dear Members,

Jurisk! June 2024 | Fraud, Defamation, and Tax Law

In this issue, *Jurisk!* presents curated articles related to fraud, defamation and tax law.

Under our section on fraud, several articles feature social engineering scams, cyber fraud and how to stay safe online. Also included in this section is an article on preventing embezzlement and internal fraud.

In our section on defamation, read about the basic principles on the tort of defamation in Malaysia in a technological context, as well as best practices when handling defamation cases.

Finally, in our section on tax law, you will find articles on practicing in the area of tax law, managing tax risk and understanding real property gains tax.

This issue will also feature information on the launch of ELEVATE, the official risk management programme of the Malaysian Bar. This programme was developed to promote risk management and complement the Bar's mandatory Professional Indemnity Scheme. It aims to elevate the quality and standards of law firm's services.
