**Circular No 348/2024
Dated 29 Oct 2024**

To Members of the Malaysian Bar

Platform to Submit Enquiries on Possible Breach / Non-Compliance of the Legal Profession Act 1976 and Relevant Rules or Rulings

In order to streamline the process of addressing Members' concerns on possible breach or non-compliance with the Legal Profession Act 1976 and the relevant Rules or Rulings made thereunder, the Bar Council Legal Profession Committee ("LPC") has introduced an additional channel for submitting relevant queries and complaints, via Google Form, which is accessible [here](#).

The Google Form is also accessible via the website slider on the home page of the Malaysian Bar website and the [Legal Profession Committee page](#).

The Google Form, which contains various sections, **must be completed** wherever applicable, as LPC needs all relevant details before looking into the query raised or complaint lodged.

This is part of our ongoing efforts to improve communication and support within our professional community.

Should you have any enquiries, please contact Malathi Mohan at 03-2050 2150; or Md Faizal b Mahat at 03-2050 2088; or by email at lpc@malaysianbar.org.my.

Thank you.
