**Circular No 366/2020  
Dated 23 Oct 2020**

To Members of the Malaysian Bar

**Update (23 Oct 2020) | Guidance on MITI's Work from Home  
Directive for Areas Placed under CMCO**

We refer to [Circular No 360/2020](#) entitled "Guidance on MITI's Work from Home Directive for Areas Placed under CMCO", [Circular No 362/2020](#) entitled "Update | Guidance on MITI's Work from Home Directive for Areas Placed under CMCO", and [Circular No 365/2020](#) entitled "Frequently-Asked-Questions (No 1) Relating to CMCO by MITI".

There has been some confusion after the announcement by the Honourable Minister of Defence, as to whether lawyers need to comply with the recent restrictions to operate their firms.

We have obtained clarification from MITI, and they have confirmed that for now, we **DO NOT** have to comply with those restrictions, and we can operate as usual.

Be that as it may, please do follow closely the announcements by the authorities and take necessary steps to stay safe.

Thank you.
