

# ADVERTISE YOUR LAW FIRM'S AREAS OF PRACTICE

for 2024

## Why Advertise on the Malaysian Bar Website?

The Malaysian Bar website receives several thousand unique visitors per year, in search of legal assistance and/or law-related information. There are numerous users who are unsure which law firms to contact for the legal advice that they need.

The Malaysian Bar website lists the areas of practice of law firms that advertise in that section, thus providing law firms with **heightened exposure at very affordable rates**.

The areas of practice section is accessible [here](#).

Maximise your law firm's visibility by signing up for one or both of the following options:

- (1) **Standard Listing**, for a fee based on the size of your law firm. The listing will contain the name, full address, phone number(s), fax number(s), email address, website link and logo for your law firm in each of your selected (unlimited) practice categories (eg Arbitration and Alternate Dispute Resolution, and Criminal Law).
- (2) **Premium Listing**, for a reasonable top-up fee based on the number of practice subcategories selected (eg Commercial arbitration, and Cybercrimes). Your law firm's listing will be featured in all selected practice categories and subcategories.

Click [here](#) to view the categories and subcategories listed, as well as the Booking Form (see pages 2 and 3).
