**Circular No 276/2019
Dated 10 Dec 2019**

To Members of the Malaysian Bar

New Digital Signing Solution

The Director of the e-Court Division of the Federal Court of Malaysia, Hamidah binti Mohamed Deril, has extended to us a notification (by email) entitled “Information on Roaming Certificate” dated 5 Dec 2019.

The notification provides information about the new digital signing solution for all digital signing activities in EFS starting from **14 Feb 2020 (Friday)**.

The relevant portion of the notification is reproduced below.

A brochure, which includes information on the new digital signing solution (roaming certificate), is available [here](#) (see pages 2 to 7) for your reference.

Thank you.

**Salim Bashir
Secretary
Malaysian Bar**

Tarikh: 5 Disember 2019

INFORMATION ON ROAMING CERTIFICATE

Dengan segala hormatnya saya merujuk perkara di atas.

2. Seperti yang pihak BAR Malaysia sedia maklum berdasarkan perbincangan sebelum ini, sistem EFS akan beralih kepada penggunaan Roaming Certificate mulai 14.2.2020. Bersama-sama ini disertakan maklumat dan brochure berkaitan Roaming Certificate tersebut.
3. Pihak PKPMP ingin memohon jasabaik pihak BAR Malaysia untuk menyebarkan maklumat mengenai perkara ini kepada semua peguam untuk makluman awal dan tindakan lanjut di pihak mereka.

INFORMATION ABOUT NEW DIGITAL SIGNING SOLUTION (ROAMING CERTIFICATE)	
What is a RoamingCert	A cloud based certificate which enables lawyers to perform signing without the use of any supporting desktop application.
Objective	To eliminate dependency on a desktop application to perform signing; for mobility and time saving.
Implementation of RoamingCert	Start Date: For all digital signing activities in EFS starting on 14 February 2020.
Migration Period (From Token to RoamingCert)	<p>All current token users are advised to migrate from Token to RoamingCert starting on 1 January until 14 July 2020:-</p> <ul style="list-style-type: none"> i) Users can start purchasing for RoamingCert from the MSCTrustgate website on 1.1.2020. ii) The RoamingCert price is RM130 for 1 year and RM190 for 2 years (excluding 6% SST). iii) However, the RoamingCert can only be used starting on 14.2.2020. iv) In the meantime, users can continue using the current token. v) After 14.2.2020, if users have not purchased the RoamingCert, they need to download a new MyTrust ID Desktop Application (which will replace the current MPKI) to perform signing. vi) Users are given time until 14 July 2020 to replace the current token with RoamingCert, after which the token is no longer valid. <p>Users are advised to read the MyTrust ID Desktop Application User Manual which will be available in the EFS Menu in January 2020.</p>
Conduct of RoamingCert Signing Session	<ul style="list-style-type: none"> i) RoamingCert is used for lawyers to provide their digital signature on Court documents. ii) Lawyers should perform signing using their own Roaming Cert. iii) RoamingCert signing PIN should be kept confidential and not shared among peers. iv) Information used for the purchase of a RoamingCert must be accurate and current.

RoamingCert Workings	<p>RoamingCert works as follows:</p> <ul style="list-style-type: none"> i) Upon registration and purchase of a new RoamingCert, the system will detect the EFS login ID of the user and link the RoamingCert to that particular EFS ID. ii) The user will receive an email activation link from MSC TrustGate and must use the link provided to set their new PIN. iii) 14TH February 2020 onwards, RoamingCert becomes active after the new PIN is set at which point previous Token being used will no longer be valid. iv) Setting RoamingCert PIN before 14TH February 2020 is encouraged. However, the certificate will only be activated on the 14TH February 2020. v) Once the PIN is set, the certificate may be used to perform signing. vi) When a document is uploaded in EFS, a pop up will appear, requesting the user to insert the RoamingCert PIN and click Sign. vii) No other desktop application/tool is needed when using the RoamingCert.
MyTrust ID Desktop Application	<p>MyTrust ID Desktop Application will replace the current MPKI on 14.2.2020.</p> <p>This application must be downloaded by users who use softcert (mostly users from government agencies) and users who still use token from 14.2.2020 until 14.7.2020.</p> <p>RoamingCert users do not need to use this application.</p> <p>Lawyers are advised to check the MyTrust ID Desktop Application User Manual which will be available in the EFS Menu in January 2020.</p>
